

MOTIVATION AND EMPOWERMENT

DYNAMIC DEBRA'S Technical Requirements

- **Wireless lavalier or head set microphone.**
- **Debra brings her own Mac laptop with the adapter to easily plug into any projector.**
- **Please have a slide remote.**
- **Minimum 12' screen off to either her side of the platform**
- **Rear or top projection preferred**
- **Screen angled in the room will also work**
- **LCD projector**
- **This is a multi-media presentation, so we need to plug Debra's laptop into the house sound, so your audience can hear the video and sound clips. (This is in addition to the audio input for Debra's)**
- **Each presentation is totally customized so we are not able to provide this in advance (sorry).**
- **Large riser with lots of walking space**
- **Please be aware that Debra likes to walk around the stage and into the audience.**
